Dear All,

I started my career at Shah & Shah Group in July '2002 as a back office executive and I am proud to say that today I hold the position of a Manager in the IT Department. When I joined the company, we were a team of 8 people, and I am pleased to say that today we have grown to a team of about 55. We have two branches, one at C h e m b u r and other at Borivali. My current role in the company is to interact with the clients regarding their premium related matters. My major responsibility is to take care that the client queries are answered promptly.
